

## CHILD ASSENT FORM

I am *Mary Student* from Jamestown College. I am doing a study to look at what a person feels like most of the time.

For this research, we will ask you some questions about your everyday activities and feelings. We will keep all your answers private, and will not show them to your teacher, but your parents may choose to ask to see your overall scores.

We don't think that any big problems will happen to you as part of this study. You can feel good about helping us to create a survey that will help us better understand kids your age

You should know that:

- You do not have to be in this study if you do not want to. You won't get into any trouble with Jamestown College, your teacher, or your school if you say no.
- You may stop being in the study at any time.
- Your parent(s)/guardian(s) were asked if it is OK for you to be in this study. Even if they say it's OK, it is still your choice whether or not to take part.
- You can ask any questions you have, now or later. If you think of a question later, you or your parents can contact *Advisor Information*.

### **Sign this form only if you:**

- have understood what you will be doing for this study,
- have had all your questions answered,
- have talked to your parent(s)/legal guardian about this project, and
- agree to take part in this research
